

Civil and Family Law

Civil and Family Law

In Lexland Lawyers our services are focused on both individuals and families, advising clients on issues from marriage and its effects, to divorce or guardianship.

These are some of the issues and procedures that we deal with from the civil and family law department:

- Civil liability, including compensation claims
- Civil and Administrative Procedures
- Civil and Commercial Litigation
- Inheritance and succession
- Contract Law
- Family Law
- Divorce and separation
- Adoption, Guardianship and Conservatorship
- Wills and Probate
- Disability and care system
- Domestic Violence
- Paternity
